FORMAT & OPTIONS

SHOTGUN START

AM - 8:30 am / 40 players minimum
PM - 1:45 pm / 100 players minimum

A Shotgun is when all groups start simultaneously from different holes. Teams are assigned a hole and led out by our Marshals. A shotgun sounds (we use an airhorn vs an actual shotgun - safety first!) and everyone starts playing at once. All groups start and finish at the same time - perfect for banquets, meals, prizing, auctions, socializing and net-working.

CROSS-OVER START

AM/PM - various start times - 52-100 players.
For group sizes below the shotgun minimum or prefer a staggered start, we offer a 'cross-over' where the field is split so half tee off on hole #1 and half tee off on hole #10. They play nine holes, then cross-over to the other side and play the other 9 holes. This format cuts the time in half for everyone to start and finish closer together.

TRADITIONAL START

AM/PM - any time of day - less than 52 players.
Rolling groups off the 1st tee. A classic start where everyone plays the course in the same order. Works well for small groups.

Springbank Links offers premium TaylorMace Qi rental sets featuring the latest woods and irons.
